# VAN MAHOTSAV CELEBRATED WITH ENTHUSIASM

## »»» Planting the Saplings

July 15, 2024

Our students wholeheartedly embraced the essence of Van Mahotsav by participating in our annual tree-plantation drive. With saplings in hand and a strong commitment to the environment, students from all grades eagerly joined forces to enhance the greenery on our campus.

This event not only added beauty to our surroundings but also provided a valuable lesson on the significance of forests and environmental conservation. Guided by teachers, students learned the proper techniques for planting and caring for the saplings, ensuring their growth and sustainability.

Through this hands-on activity, our young learners developed a deep sense of responsibility toward nature. We look forward to witnessing both our students and these trees flourish together in the years to come.
