SUMMER HOLIDAY HOME ASSIGNMENT 2022-23 CLASS - V

Subject : English

LEVEL A

1. Practise one page of handwriting every day.
2. Make a colourful drawing. Write a story about it.
3. Make a list of 10 collective nouns.
4. Make a list of 10 rhyming words.
5. Frame 10 sentences using countable nouns.
6. Frame 10 sentences using abstract nouns.

LEVEL B

1. Write one diary entry about the fun you had during summer vacation.
2. Make your own Mini Dictionary. Design a small booklet using materials available at home. Read story books. At the end of reading, write a few new words that you have learnt for the day. Write their meanings. You can even draw pictures for some words. Do this on daily basis. After some days you will have a collection of so many words and their meanings which you will never ever forget.
3. Make a list of 15 collective nouns.
4. Make a list of 10 contractions.
5. Frame 10 sentences using uncountable nouns.
6. Discuss with elders in the family and write recipes of a summer drink. Try to make it also and relish with your family.
7. You will do exercises of level A as well.
8. Write 20 verbs with their forms and 20 adjective with comparative and superlative degrees.

LEVEL C

1. Write two diary entries.
2. Make a list of 20 collective nouns.
3. Make a list of 20 rhyming words.
4. Frame 20 sentences using countable nouns.
5. Frame 20 sentences using abstract nouns.
6. Frame 20 sentences using uncountable nouns
7. You will do exercises of leave A and B as well.

ENVIRONMENT STUDIES

LEVEL - A

1. Make a 24 hour clock showing the sleeping duration of the following animals using papers strips.
Cow, python, sloth, giraffe, cat.
2. Make at least two designs of Naag Gumphana.
3. Make the puppet shown in your text book pg.no.21
4. Draw two sources of water.
5. Prepare your family tree using photographs of your family members.
6. Draw five animals in each of the following groups.
[a] Animals whose ears we can see [b] Animals whose ears we cannot see.
7. Draw the sense organs.
8. Draw four of the following in each group.
[a] Objects which are sweet smelling. [b] Objects which create sound.
9. List at least ten of the following:
[a] Smells that you like. [b] Smells that you do not like.
10. List the four main tastes and four food items for each taste.

LEVEL – B

1. Collect the water bill of your house and do the activity given on page number 58.
2. Write the poem [page no.50] and decorate it beautifully with paper, chopped vegetables and fruits
3. Sketch the face of a tiger and write some points. [Hint: Pg. no. 14]
4. Make a snake puppet. [Hint : Pg. no. 21]
5. Collect at least 6 wrappers of food items and write at least four pieces of information given on each of the wrappers.
6. List some rules of discipline to be followed in your classroom and while at study.
7. Digestion begins in the mouth. Explain.
8. The government has made a law that no one should hunt or captivate animals like elephant, tiger, lion, antelopes and snakes. Why?
9. Discuss with the elders in your family and find out the things which are soaked before cooking.
10. Discuss with your elders in the family how they would plan to store different fruits like lemon, mango, and amla available for the whole year so that your family can relish these the whole year.

LEVEL – C

1. What will happen if we take junk food often?
2. Read the story very well given on pg. no. 30 – 31. Now close the text book and write the story in your own words.
3. Do the activity mentioned on pg. no. 37 and write down your observations.
4. Make sprouts of green gram [moong dal] and chickpea [chana dal] and share with your family.

Method to make sprouts:

Wash and soak the pulses for at least five to six hours. Strain the excess water. Wrap the pulses in a clean damp cloth and keep it in a container. Cover it partially. Leave it undisturbed in a warm and dark place till they sprout. Watch the pulses after 6 –7 hours. You will find them sprouted.

5. What is dispersal of seeds? Explain with diagram. [Hint: Pg.No.49]
6. Read the story very well given on pg. no.48. Now close the text book and write the story in your own words.
7. Make the tabular column given on pg. no.38. Discuss with your mother and add some more food items.
8. Look in your kitchen and list the food items that
 - [a] can get spoilt in 2-3 days.
 - [b] can be kept for a week.
 - [c] would not spoil for a month.
9. Do the activity given on pg.no. 43 and write down your observations.
10. Draw an insectivorous plant and a note about it.

NOTE: Do not get new materials for your works. Complete your works with whatever materials are available at home.

You must take the elders' help for doing every activity. The mentioned page numbers are of your Class V EVS Text Book's. If possible, arrange thick sheets for drawing work. If not possible, do the drawings in your notebooks itself. You can do the drawing work in the form of collage which means that you can draw fruits, leaves and other things on separate papers, colour them and paste them accordingly. Every drawing must have an explanation. Do not trouble yourself and others at home.

SUBJECT: HINDI

Level : A

1. अपने घर या आस-पास की वस्तुओं को देखकर निम्नलिखित कार्य करें :-
(क). दस वचन लिखें।
(ख). दस लिंग लिखें।
2. भाषा किसे कहते हैं? उदाहरण सहित लिखें।
3. भाषा के रूप उदाहरण सहित लिखिए।
4. ड्राइंग शीट पर लिंग, विलोम और वचन का कोलाज बनाइए।

SUBJECT: MATHEMATICS

IMPORTANT NOTE:

Level- A is for the Beginners

Level - A + B is for Learners.

Level - A + B + C is for the Achievers

Please do all the work in a separate note book.

MATHEMATICS

Level – A

1. Write and learn tables from 2 to 20 (3 times)
2. Draw line segments of following measurement
 - (a) 7.6cm
 - (b) 1.8cm
 - (c) $2\frac{1}{2}$ cm
 - (d) 6.3cm
 - (e) $5\frac{1}{2}$ cm
 - (f) 8.9cm
3. Write Roman Numerals from 1 to 1000.
4. Make a chart of different shapes like
(For chart you can use flash card using old card or by covering available card board of notebook size) or do it in your notebook.
 - (a) Circle
 - (b) Rectangle
 - (c) Square
 - (d) Triangle
 - (e) Pentagon
 - (f) Hexagon
 - (g) Octagon
 - (h) Decagon
5. Revise syllabus (Chapters 1, 2 & 3).
6. Write Number Names from 1 to 100.
7. Learn and write definitions of
 - (a) Acute angle
 - (b) Obtuse angle
 - (c) Right angle
 - (d) Straight angle
 - (e) Reflex angle
 - (f) Line
 - (g) line segment
 - (h) Ray
 - (i) complete angle
 - (j) Plane
8. Use Compass and draw different geometrical design, as shown in the picture.

Activity

1. Designing.....

Take A4 size sheet. Draw one geometrical design "only" using compass and colour it.

Level – B

1. Make a chart with the help of broom sticks/ Agarbatti Sticks to show different shapes and angles.
2. Draw a circle of radius
(a) 4.5cm (b) 3 cm (c) 5cm (d) 2.5cm (e) 6cm
3. Multiply
(a) 37198×121 (b) 87112×372 (c) 7659×35
(d) 93927×964 (e) 721784×762 (e) 78956×357
4. Make a chart/A4 sheet / Cardboard for different type of angles.
5. Do 5 division & multiplication sums everyday.

Level – C

1. Using protractor to construct the following angles and write their type
(a) 30° (b) 45° (c) 135° (d) 50° (e) 80° (f) 120° (g) 210°
2. Divide and write remainder, divisor, dividend and quotient and verify the result.
(a) $21489 \div 13$ (b) $25729 \div 18$ (c) $729179 \div 12$
(d) $71094 \div 18$ (e) $91765 \div 15$
3. Make a model on thermocol sheet and any working model of your choice.
(a) Cube (b) Cuboid (c) Cylinder (d) Cone
4. Do 10 sums each based on basic operations (addition, subtraction, multiplication and division) including their word problem everyday.

GENERAL KNOWLEDGE

Level - A

- I. Add a single letter in the beginning of the following words (the same letter) to form new words:
- _____ HEAT
 - _____ HEEL
 - _____ EIGHT
- II. Take out a single letter from the body of these words and form new words:
- PRIDE _____
 - SPOON _____
 - SPEND _____
- III. Circle the stranger among these:
- (a) Rice, potatoes, spinach, sugar _____
- (b) Cup, saucer, knife, glass _____
- IV. What comes next:
- Time = Second, _____ hour, day, _____, month
 - Distance = decimetre, Centimetre, _____
- V. What are the next two numbers in the following series:
- (a) 4, 5, 7, 8, 10, 11, _____, _____
- (b) 6, 33, 9, 30, 12, 27, _____, _____
- VI. Complete these analogies:
- Apples are to fruits as carrots are to _____
 - Milk is to cow as wool is to _____
 - Pink is to red as grey is to _____
- VII. Answer the following questions:
- First Indian Woman to win Nobel Prize
 - First Woman IPS Officer
 - Sabarmati flows in the state of where Bapu was born . Its capital is Gandhi Nagar.
 - There are three wings of defense forces the Army, the Navy and the
 - is the Supreme Commander of the armed forces of our country.

Level - B

- Draw the Solar System on a project file using coloured papers and thread.
- Draw and write measures to protect OUR MOTHER EARTH from pollution and global warming
